

State and Future of the IUPAC InChI

23-24 August 2019

San Diego / ACS National Meeting

Ray J. Boucher
Chair, InChI Trust

Three strategic pillars

Global adoption and use

Increasing engagement with the chemistry community for the benefit of science and business

Maintenance & extension of the InChI and applications

To facilitate rapid and effective research discovery and business innovation

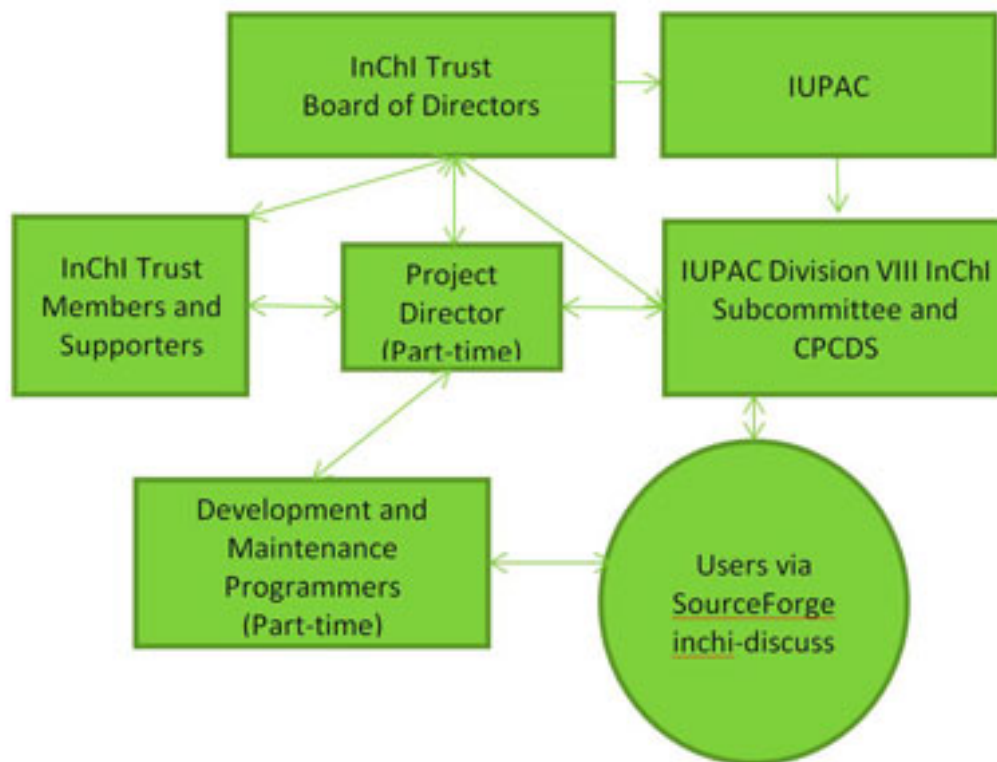

Governance

To provide an organizational framework that ensures the sustainability of the standard

Governance

“Because sometimes the only way to make something perfect is to destroy something good”

Glass – Alex Christofi

**And where
are we now?**

**Where are we
going?**

**What
should we
do?**

**What can
we do?**

**How far?
Extension vs
application?**

**Do we widen the
coverage, to new
areas (and areas
well outside
traditional
chemistry)?**
